LEGAL NOTICE
BLASTING SCHEDULE

February 2, 2011

Permit # 381

Please be advised that Eagle River Coal, LLC, will be performing blasting operations on lands within portions of NE1/4, SW1/4, and SE1/4 in Section 10, all being situated in Township 10 South, Range 6 East of the 3rd. P.M., Saline County, Illinois, in accordance with the following schedule:

1. Blasting shall occur between the hours of Sunrise to Sunset during the weekdays of Monday through Sunday.
 2. All access roads to the blasting area shall be posted and an employee shall be stationed at each entrance to the blasting area no less than ten (10) minutes prior to the scheduled blast.
 3. Audible warning signals shall be sounded as follows:
 - a. Three (3) long signals of a horn from the drill will be given before each blast.
 - b. The all clear signal after the blast shall consist of two (2) short signals of the horn.
 4. Should weather conditions or other emergency situations develop which prevents blasting during the specified hour, all residence within one-half (1/2) mile of the blasting area would be notified prior to the blast.
- 20406030; Jan.
